

In One Hour, You Can...  
watch a television show  
do a load of laundry  
run errands  
play a game of football  
eat lunch.

Or, You Can...  
make a lifetime of  
difference for a child.

During one lunch hour a week, read with a child to help improve reading skills. We will teach you how, match you with a young student, and support your efforts.
