Elizabeth got her GED.
Saleha became a citizen.
Losene got his commercial license.

November 2011

Dear Friend:

Literacy Connections could list a hundred of these true accomplishments that happened because of sponsorships in the Community Spelling Bee. Because we want to continue to help people like these mentioned, we have been planning for the 2012 event, which will take place on March 13th at Marist College.

In addition to supporting literacy for those most in need in our community, here are the advantages of being a Bee Sponsor:

- The Bee is attended by more than 150 Dutchess County residents who are involved in the community.
- Sponsors are announced throughout the Bee, in the Bee Program, and through announcements in our Newsletter (circulation: 1,000) and local newspapers, pre and post event.
- Sponsors are listed on our website, with links to yours, if you would like.
- You join a list of 50 prominent businesses, individuals, and clubs who support the Bee.
- Sponsorships are tax-deductible, as allowed by law.

We hope that you will join us for the 2012 event, so that more people can learn to read, write, and reach their potential.

Sincerely,

George W. Mann
President, Board of Directors
